

**“People don’t give to need; they give to vision.... Church people don’t stretch their giving because of need to meet the budget; they give more because they are able to see a vision of people being reached and God’s purposes being accomplished in the life of the church and its ministry.” Fr. William Chiganos, of blessed memory**

The base from which we serve as the Voice of Christ in a Changing World is the parish. A strong parish provides opportunities for sharing the Good News of Christ, for welcoming those that are searching for a spiritual home, and a base from which we are sent out into the world. The parish also provides a place for worship, community and education in the faith.
